Overnight care is more than just sleeping in your home. It includes companionship, structure, safety, and meeting your pet's physical and emotional needs while you are away.

Below is an example of a typical overnight stay, showing how daytime care and overnight supervision work together to support a happy, well-cared-for pet.

AN EXAMPLE OVERNIGHT

FRIDAY

12PM 30 MIN VISIT 35
Sailor's parents left at 9AM for their trip and he is very happy to see his sitter. He enjoys a walk in his neighborhood, then goes back for a nap

5PM 30 MIN VISIT 35
Sitter arrives back to feed Sailor dinner around 5PM and take him out for another walk. Don't forget the cuddles and turn lights on for Sailor

10 hours

10PM OVERNIGHT CARE 200 175
Sailor is ready for bed and Sitter arrives to let him out in the yard for a quick potty break before snuggling in bed with him. Sailor is in heaven with a human in the house.
As they both wake up in the morning, Sailor is taken out for a nice morning walk and given breakfast - all before 8am

8am

SATURDAY

11AM 1 HOUR HIKE 50
Sitter was not required to be at your home from 8AM-11AM but she chose to have a slow morning, so she spent extra time with Sailor. They head out for a booked hike in the woods! Great for pets who need lots of exercise

5PM 30 MIN VISIT 35
Sitter arrives back to feed Sailor dinner around 5PM and take him out for another walk. Don't forget the cuddles and turn lights on for Sailor before the night check in

10 hours

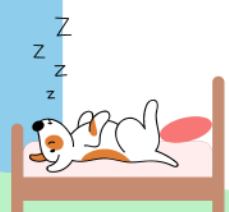

10PM OVERNIGHT CARE 200 175
Sailor looks forward to a second slumber party! He knows the drill by now. Sitter takes him out, they might read a book, and then go to bed and snuggle.
In the morning, same routine - they may sleep in a little and Sailor will be taken out when he's ready for potty time before breakfast

8am

SUNDAY 8AM DEPARTURE

Sitter makes sure Sailor's morning needs are done, then she packs her belongings, strips bed, makes sure any dishes she used are clean and makes her way out.

Come back from your trip to a calm and happy pet and a clean home!

OVERNIGHT GUIDE

CT Wage & Labor Law requires wage payment of at least minimum wage for every hour SHP sitters are required to be at your home.

We are happy to accommodate overnight services in 10 hour increments nightly on top of daytime visits, walks, and hikes.

NIGHTLY BASE RATE

10 hour increment \$200
9PM-7AM or
10PM-8AM

SPECIAL RATE FOR VIP CLIENTS

Are you subscribed to our monthly packages AND do we hike your dog 3x/week OR walk your dog 5x/week?

CONGRATULATIONS!

You are a VIP client and you qualify for up to 10 discounted overnights per year on non-holiday periods at 175/night

Remember! You also get booking priority - ...very handy over the busy holidays!

DAY CARE TIMES & ROUTINE

In this example, you can see a mix of 30 min visits and hikes. However, the day time routine can be tailored to your unique needs - whether a visit, walk, hike, or just hanging out with your pet on their favorite spot.
Pet parents can book a sitter anytime from a 15 min potty break to up to 4 hours of continued time at their home, and however often they please during the day outside of 10PM-8AM.

WAGE COMPLIANCE

As required by Connecticut labor law, scheduled time is billed based on the hours and services you request.
Any additional time a sitter chooses to spend beyond the scheduled services is simply extra care for your pet.
For example, if your sitter stays a bit longer while wrapping up in the morning, that means your pet enjoyed extra human time.
However, if you request care from 8AM-12PM, that time is scheduled, billed, and paid accordingly.*

PEACE OF MIND

What if someone suffers an injury at your home? Not to worry, our sitters are covered under workmen's compensation insurance additional to our property liability insurance - extremely important to consider when anyone sets foot in your property.
All SHP staff are insured, bonded, Pet CPR and First Aid Certified, & go through comprehensive background checks.

NEW CLIENTS: Five nights minimum to book Overnight Services.
CURRENT Clients: Two night minimums to book. We can book 1 night overnights on a case by case basis for VIP clients
*CT Labor and Wage Laws require employees to be paid minimum wage for every hour required to be at your home house sitting and taking care of your pets.
